Pearly In Brief

and what we do

Pearly Tyre Ltd is a diversified enterprise located in Dongying City, Shandong Province, China.

Pearly Tyre is fast growing brand in all over the Middle East. It has more than 20 franchises in middle east upon customers demand. It has been focusing on good quality tire manufacturing PCR tires.

As of today, the annual capacity is 12 million units for PCR tire, The group will insist on diversified development and win-win business for its future development, maintaining its awareness of the market demands, providing high quality products to its consumers, bringing value to the whole society, creating a world class enterprise.

Pearly Tyre owns big ranges of PCR tyres, All the patterns are designed according to the latest markets' requirements by our smart R & D team.
